Well, what can I say, you'd be stupid to think John's PSN shop isn't legit, it's one of the best ones that's been on HF for ages.

And well, last time this thread was open this guy had 1.4k rep so it'd also be stupid for you to not to trust him.

Herbert - August 18, 2016, 2:34 am

thank you for the kind words, I'm back stronger with loads more accounts feel free to request anything you need.

Keiser - August 18, 2016, 9:57 am

Dannyphantomed - August 18, 2016, 10:24 am

This guy is the online BestBuy of PS4 games. Great seller. Quick, responsive, and great with customers. I have bought over 50 games from him, 18 accounts, and 3 PS Plus. Never had an issue. Highly recommend him to anyone.

I have dealt with the member [John Herbert](#) for bundles in the past. I bought a copy of Overwatch for PS4 off of him a few months back which continues to work. This is a good service if you're looking to pick up games at a cheaper rate to try them out in my opinion.

Crowley - August 18, 2016, 3:51 pm

Honestly,

This seller is a jerk and horrible at doing business... Plus never gave me for what I paid for (which was sex), but other than that this feg is a legit PSN seller and I don't know why anyone would hesitate to buy from him even though he had a shop before and something horrible that made him hate life happened.

GLWS feggitt.

Don't waste my time lol,

I get your order ready I have it all setup for you and you tell me otherwise, what a great guy.

Asking me for extra shit, when you buy something singular, as I said whatever comes extra, is extra.

You're still the dumb one here, bundles are unpredictable, one may have FIFA 16, GTA 5, Destiny. The other can have No Man's Sky 7 Days to die etc, as I said you can't afford a bundle go for singular.

If these are currency related items, such as coins/points/packs that are dedicated to the owners account then no, it will not effect you, if these are downloadable content, maps/skins etc, then yeah.

I got your replacement ready, you're asking me for a refund which I clearly do not do as you can read in my TOS you agreed to upon payment.

Code ToS:

by purchasing you agree to the following

All deals are final, if you don't follow the instructions and anything were to happen, you're not being

replaced.

If an account doesn't work contact us within 6 hours after purchase so we can investigate the matter.

If an account were to get locked, there is no replacement possible, 99% of the case accounts last a minimum of 6 months.

if you choose to change personal information, you won't be eligible for a replacement.

We do not provide refunds, only replacements on rare occasions.

Gamehshare.org is allowed to change the T.O.S at any time.

Sorry for not responding on time you have to understand that I'm dealing with hundreds of customers a day.
