Thread: [\[EVERYONE\] Emerald Award/Upgrade Contest \[#1\]](#)

False King - August 19, 2016, 2:58 pm

I've learned a lot on HackForums and I've gotten some really great advice from the people on here. Time to go give back to the community, so I'll be giving out one Emerald Award, simply post whatever you want and I'll pick a random member who will get the award.

If you have no upgrade yet, you can also choose for the L33t upgrade.

The winner will be picked Sunday evening.

Good luck!

I don't care that much about awards myself, so if I can make someone else happy with it, why not!
