**??---??** - August 20, 2016, 12:00 am

Sorry you got scammed dude smh hope you get this resolved

**TheChi?f** - August 20, 2016, 6:14 am

You should add his profile link to the post. Sorry about your loss man.

Also, add this to the deal dispute database: <https://hackforums.net/disputedb.php>

This will flag his trust scan.

Oh shit I was about to deal with this guy for a PSN. Sorry man.

**Panda** - August 20, 2016, 10:43 am

Such a low amount? You are aware people scam for as little as \$10 every day. Sorry you got scammed though, I sold 64 legit offsite no MM for \$300 yet still have people wanting a MM for cheap shit.

Hopefully you get this resolved.

**Hollow Squad** - August 20, 2016, 6:14 pm

this is disgusting how much was paid for this plus he scammed you....a complete dick move.

**Danny Khalifa** - August 20, 2016, 6:15 pm

Sorry to see that happening.

I hope this will be solved somehow.

**Rox.** - August 20, 2016, 6:17 pm

Pathetic mate, looks like a legit report to me. :(

Wait, I just noticed, why is image 4 messages to a whole different kik account than image 3?

**afrO** - August 20, 2016, 6:41 pm

Quite lying, don't be mad because your little scheme didn't work on me. I sent you the password.

<https://gyazo.com/fcca675fc28955afda9f007d021703f5> So i'm confused, if we did a legit deal, why do you refuse to reply to me on kik or even REPLY as soon as I sent the BTC? The password didn't work and you know that, you scammed me and changed the name on it to appear that I didn't get scammed. You obviously need the money more than I do. You're obviously not going to admit to scamming, who would. Afterwards I had a friend tell me you scammed me because you took advantage of the fact that I have low reputation. You are scum and you talked to me all day to scam me when I overpaid for a KIK.

**Alprazolam?** - August 20, 2016, 8:11 pm

i didnt think he would scam me because of his reputation, and my friend said he was legit onsite.

Then why would you deal without a MM, or deal at all? Something is a little fishy here.

I went first to him so we didn't need a middle man, and old what my rep has to do with anything? I simply tried buying kik and be scammed me

Why don't you show the messages from after me saying "really"? lets see what I said after that. Oh thats right you won't because it was me begging you to give me a kik you scammed me for. because if i logged into the kik and went first to you there would be absolutely no personal gain in wasting his own time to try to open a fake scam report against you. It's clear as day that you scammed me and I might not be the most trusted person on this thread and this post not mean anything because of the low green number next to my name but it doesn't take a genius to realize you scammed me. Really hope you just man up and decide to resolve this man. You wont even reply to my PM's lol. weak.

**Netw?rk** - August 20, 2016, 9:32 pm

Karma, is all I've to say ;)

**\$hmokey** - August 21, 2016, 11:39 am

Thank you for attempting to faking that I own the kik by putting an alias i'm only known for on hf. Tell me why I'd put "shmokey" on the kik you scam me for and still contest it as a scam on HF? Not obvious at all that you're trying way too hard for a \$250 man. That really just proved that you own it. Don't worry,, it's \$250 and I been over it, i gave you 2 days to come right and you didnt. You do scummy things, scummy things are going to be coming your way, just how the world works. Thanks for scamming me kira :)
