Great products.

(Aug 16, 2016 03:58 PM)OverSight Wrote: [\[CITE\]](#) Vouch for R.Reddington. Always has HQ programs. Everyone else I know mostly makes shitware except for him. Hes giving me a vouch copy. Will report back when I try it out.

Ok the cracker isnt too bad. I just wished it had more modules other things I use. Its made pretty well and easy for anyone to understand.

HQ as always. If I had to recommend this to someone who like convince, this would be the product.

Ultimate Cracker (Hacker) is a Awesome Cracker. Every feature is working perfectly.

Design | GUI: 10/10 The design is user friendly and absolutely perfect

Overview : 9.5/10 I Didn't had any big issues and notice any errors

Price: 10/10 To be honest I think op should raise the price because it's worth more than the listed price
