Thread: [Clean Logo](#)

unknowcrank - August 20, 2016, 2:41 pm

I did a clean Letter logo which is based of "V" any feedback would be appreciated !

Imgur's official link is imgur.com, I dont know what i.imgur.com is.
Did you click it?

Yes their official link is i.imgur.com

ohxerxe - August 20, 2016, 2:59 pm

Sick design. PM me when you are able to once you hit 25 posts. I could use your talent

Also known as hot linking.

Regarding the logo, slick 'V' man, really clean & simple looking! Illustrator or Photoshop?

TRAUMA - August 20, 2016, 4:22 pm

im clearly joking Imfao. thanks tho ig

Photoshop :)

SavageTM - August 21, 2016, 8:12 am

i would pay for something like this pm me if you want to do some graphics

havesomedignity - August 21, 2016, 3:30 pm

The design looks great, nice and clean :)

No used Photoshop for this :P

?Knighted?? - September 8, 2016, 10:51 pm

simple, clean, cool great job!

WhiskeyFR - September 9, 2016, 10:20 am

Good job, i really like it, it's simple but design i love that.

fireguy722 - September 12, 2016, 10:03 am

I like it, im not sure what its used for but clean logos are great lol
