FREE BJORK CRYPTING SERVICE

This is a legal service not to be used for any sort of criminal activity - this service is designed to help you test an anti-virus on your own machines only and you are responsible for everything and anything you do. Questions regarding malware will be ignored.

Hey guys, i'm offering a free crypting service to uber and l33t members. I am using one of the best crypters which is 2/35 guaranteed to be 100% FUD Scantime and Runtime.

PM ME WITH THIS
