Scammer ID : <https://hackforums.net/member.php?action=profile&uid=2916085>

For Service : <https://hackforums.net/showthread.php?tid=5366261>

Okay so few days back I contacted him for 100 shells for \$115 i.e \$1.15 per shell

After I send him \$115 BTC (
<https://blockchain.info/tx/7881e505e7c946f99f51c7fbc25773555985eff79175bb688e437370e319a1f6>)

He instantly gave me 20 shells and promised that he will give me 80 shells soon

SO i contactd him in PM for 80 shells

His first reply : <https://s3.postimg.org/o6odnd1wj/PM1.jpg>

Then after 2 days his second reply : <https://s14.postimg.org/i8opkr0ip/Pm2.jpg>

So since i wasnt gona wait 7 days i requested him to refund me by sending him PM :
<https://s13.postimg.org/qynwu1ftz/PM3.jpg>

which he clearly ignored so i posted in his thread about so since it could have affected his sales he responded that he will give refund :

<https://hackforums.net/showthread.php?tid=5366261&pid=52157479#pid52157479>

So I contactd his skype and told him to give me refund :

<https://s10.postimg.org/wyptbd9ll/SKYPE1.jpg>

He said he will give 30 shells and rest money back :

<https://s10.postimg.org/crhfg6ift/SKYPE2.jpg>

And for last 3 days he is just ignoring my messages on skype :

<https://s10.postimg.org/fmuin1mft/SKYPE3.jpg>

I have given him enough time for his excuses and i am sure i am scammed and its not first time on HF for me so i am letting you guys know to stay away from this lowlife

Thank You
~Uiqueblhats
