Mercari is a safe and easy mobile marketplace for buying and selling clothing, electronics , household goods, specialty items, and more.

Note: With my invite code you'll get \$2 on top of the \$10 the app people gives you.

Proof: Here's what I've got with the app so far <http://prntscr.com/c96q9h>

And here's what some of my lady friends ? on facebook got from using it
