Thread: Scammed for 8$ Paypal By kiNg OwL [UID:2694842]

Our deal was 8$ Paypal for Pokemon GO Account he chose.
I agreed to take paypal since he has a good rep,thought he wont scam me for 8$. He sent me the money on paypal and then the day after that he opened an
unauthorized claim chargeback. I want the user to repay me in bitcoins (I can accept 15% less,since that's the exchange rate) or to cancel this dispute.

It's clearly his paypal since the e-mail has 'owls' in it.
Such a bummer that an uber scams for 8$...

OP isn't upgraded, so he can't.

Anyway's OP, always use the trust scan feature before dealing with anyone.

Since I run a shop I have tons of transactions on my account and it's kind of trusted so I actually won the dispute in 5 minutes on phone with them,got my money back but still,he tried to scam me
