You really think Leafy is mad about a small little child who says cancer cancer cancer?

Im sure he has been called worse and he doesn't care.

I actually really like leafy. He is completely original and is a breath of fresh air amongst all the bullshit on youtube.

Leafy says what we're all afraid to.

However, it seems his intros are aimed at a younger audience :P

I thought it was pretty funny. Had no idea this kid actually puts out a lot of videos and has a play button. Kind of nutty imo.
