Regulus - August 23, 2016, 5:29 pm

Entering this in hope to win one award or perhaps the money.

To be honest I don't really have a reason to win an award, it would just be so fun to win something as I mostly never win anything on HF haha.

So would just feel very nice to win, and that's it.

Thanks for this :)

Parks - August 23, 2016, 5:30 pm

I deserve this giveaway because I'm epic duh?

1337 - August 23, 2016, 5:33 pm

I think i derserve this award because i have only win one award in 2 years and i should win this years.

RelationShit - August 23, 2016, 5:35 pm

For starters, I have zero awards.

One would be cool, altho it's not a must it would be cool I think.

Nice thing you got going here.

God??? - August 23, 2016, 5:42 pm

I think it'd be cool, cause you're cool, and i like cool.

Thanks,

God.

BR?ND?N - August 23, 2016, 6:13 pm

It would be great to win. I'd love to have Ep1c as i've contributed to the site by upgrading people and helping as much as I can. I'd enjoy Ep1c and use it, your money would not be wasted sir.

iNadroj - August 23, 2016, 6:23 pm

I think I'm deserving of this because I plan to do many giveaways myself, but I can't post in the relevant sections because I haven't achieved positive rep as of yet.

W?lf - August 23, 2016, 6:33 pm

I would love 3P1C cause I'm a lot like you ;p i post a shit ton and get a lot of messages so having 3P1C would really be convenient for me C:

Thanks :D

Yassuo - August 23, 2016, 6:35 pm

I would love a 3P1C because I want to take a self ban

Yin Yang - August 23, 2016, 6:42 pm

Why should I get it? I only have one award and would be nice to add on another one. If I do win, I'll complete my first row to help giveback to HF. And the gift of giving will force me to host a giveaway/contest of my own.

BorkoSquad - August 23, 2016, 7:51 pm

I like to see myself as an active user, I help my group out when I get the time and love to help people on this forum. I think that Ub3r would help out a lot, plus I can't really pay for it due to money issues at the moment.

Amnesia420 - August 23, 2016, 8:14 pm

I would love to have L33t. I would have all that cool stuff like giving reps. More PM's and so on.

I'm a acrive member and help very often newbies in eWhoring.

Knucklez. - August 23, 2016, 8:24 pm

I don't know really why I would qualify for such a generous award.

Good luck to the participants :)

Danny Khalifa - August 23, 2016, 8:26 pm

Would love to get 3p1c.

I post a lot and I get a lot of PM's and I am just tired of that slow time posting.

Thanks a lot for the giveaway bro

DuguWudi - August 23, 2016, 9:52 pm

I would to get another award if its possible. Thank you OP.

Riyu - August 23, 2016, 9:55 pm

Please read the rules before posting

Mr.Peanut - August 23, 2016, 9:58 pm

I personally think I deserve this because i've done a lot in such a short time on HF. I know I have a lot of awards, etc but I was actually given lots of what you see from being HQ. I've spent QUITE a bit of time interacting with users, guiding people on things they may need help on, and even introducing members to new fields. I really hope I get this, gl everyone and good giveaway op.

Cheers

BTB™ - August 23, 2016, 10:06 pm

Why I deserve it:

I have been contributing to the HF community from the very beginning of my tenure. It can be in the IT section, suggestions for improving HF, Giveaways, In lounge chatting with my friends, Gaming and last but not the least in the Monetizing section with some unique earning methods.

I earned L33T, UB3R & 3P1C by winning competitions only! People have recognized my hard work earlier too! I can easily say; HF is my second home now!

The general services that I have offered to the community are -

- ? Content Writing / Home Work Services ?
- ? Assignments regarding MS Office ?
- ? Managing Official Group Activities ?
- ? Bringing Positive Energy in members ?
- ? Super Active ?
- ? Effective & Smart Advertising ?
- ? Excel related projects ?
- ? Thread Designing (Not graphics; rather making it interesting) ?
- ? Some Noise (on a positive side) in the community! ?

?

Epicur - August 24, 2016, 5:45 am

I think I deserve this giveaway becaue I have done like 200 posts in the contest section and never earned anything ;(

Thanks for the post OP!

STYLING - August 24, 2016, 6:01 am

I deserve to have this because I'm really trying to help everyone I can. Also I want an award already because my user interface seems a little bland without that icon there.

Stashyy - August 24, 2016, 6:02 am

Would love to enter. Need an extra award on my profile. :o

YinYang - August 24, 2016, 6:04 am

Would love to get that emerald award :)

I haven't done much for the community lmao, I constantly help people via PM's, and try my best to help everybody on their threads:

[Free eBook giveaway](#)

[1,000 P250 Sand dune giveaway](#)

I also do a lot of stuff in the Free graphics section :)

Good luck to everybody who's entering, and thanks for doing this OP!

iJosh_ - August 24, 2016, 7:09 am

Surely 0 counts as positive rep? its not negative ;)

Id love to win purely because Im new to this site. Im still understanding how things work and believe a membership upgrade, which I can currently not afford myself, would allow me to better understand the site and connect with other members

Wireless Network - August 24, 2016, 7:53 am

I'm entering for award i guess. Anyway thanks for hosting this.

spirited_wolf™ - August 24, 2016, 8:08 am

I did love to enter in this contest for Uber.

I think that i deserves it maybe because i am contributing in Sql-injection section and in Pentesting and Forensics section too by creating tutorials and with pm also ? && i am also contributing in Beginning Hacking section , and in Freebies and giveaway section too

some threads are here ?

Black Kodak - August 24, 2016, 1:13 pm

I think I deserve an award between 0-25\$ because I dedicate my time to HF and help out as many people as I can while I am online....

Entering this. Thank you so much for the chance to win L33T. :D

So, basically, my name is sorta noobish.

I need L33T to change it haha, but I love HF and it'd be awesome to win this.

I help people with their issues when I know the answers and I'm fairly active. :P

Good luck to all!

LePotato - August 26, 2016, 11:29 am

I would love to have l33t because I would love to start giving positive reps to the people who have helped me significantly. At the moment I feel obliged to give them something back but can't, yet.

I'm also pretty 1337 tbh. <3

skillzforme - August 26, 2016, 12:28 pm

It's such a generous giveaway !!

In my opinion I think that I deserve the upgrade to L33T cause i am old and loyal member of HF since first ... Due to my work I am not so active but I will try my best to improve and such upgrade would be a good motivation for me! In addition I never had any bad reports on me ...

Thanks :)

Prettykitty - August 26, 2016, 2:57 pm

I think I deserve an award because i've been a long time member of HF, also contributed through lots of posts, giveaways, etc. I have been with HF through the tough times, was a donator. Been with this forum for 7 years now!

Thanks for hosting the contest Riyu.

kmz22222 - August 26, 2016, 3:10 pm

Flavio da Silva - August 28, 2016, 11:55 am

Thanks for the giveaway! Count me in.

SIM-2998667 - August 28, 2016, 1:28 pm

I would appreciate getting an Upgrade to Uber, having my application already accepted. I wouldn't say that I need Uber, as Leet does the job just fine and I don't really need/want to have the Neg power since I don't really get pissed off that easily, but I think that having an Uber upgrade could follow up with great benefits such as increase in Inbox space, Junking thread, having access to Currency Exchange would also allow me to branch over AGC Buying and Selling.

I wouldn't say I'm HQ, but I try my best to help out the community/boards in which I lay in and share the knowledge I gained with everyone.

Thanks for the giveaway :)

Marshmallow - August 28, 2016, 3:35 pm

I would love an upgrade to Ub3r: I am a funny guy (you should know this <3) and pretty nice also I keep having to wait 20 seconds before posting.

I don't know if I deserve this award but hell I am going to try, I have only been on the forum about a week, grinding out helping the community and getting to know some new friends, if I don't win congrats to the winner!

SubjectTrek - August 30, 2016, 8:57 pm

I have been a member of HF since early 2012. Although I was inactive for awhile, I've come back to this forum recently as an older, more mature and knowledgeable person. I have 95 positive rep with no negatives or neutrals. I am very happy I have decided to come back to this great community. I am excited to get back into the graphics community on here and also potentially learn some monetizing techniques, and also to just be an active and helpful member as a whole. An upgrade wouldn't effect my ability to do this, but it would still be greatly appreciated and only further my love for HF!

Studios Sharp - August 31, 2016, 6:38 am

I hope I'll get it..

Thanks in advance sir

Entering for UB3R, really hope to win it. I've done many exchanges here but can't post in the market section because I'm not ub3r. I'm a pretty HQ member without a pretty good rep. Never (and never will) scammed anyone, although I myself got scammed multiple times because of stupidity.

I hope to be blessed enough to get UB3R.

Thanks for the giveaway OP! ?

Silent Uprising - September 8, 2016, 9:59 pm

I would like to enter this contest for L33T. I think I deserve this because I have been here for a while with no awards or upgrades. I will help the community in any way that I am able to help. I was also the first non upgraded member to post on your old leet giveaway but I didn't have 500 posts since I only started posting often this week.

Marshmallow - September 9, 2016, 3:14 am

Ub3r.

No need to explain why I deserve it

Faith Connors - September 10, 2016, 7:09 pm

Ub3r please, although 3pic is cool too.

Well, take a look at my threads or any recent posts in the beginner's section. You'll see I'm always helping people out in one way or another.

I was also interviewed for an article about computer security, just some basic stuff, and my alias will be posted there, so I may or may not get an influx of PMs. I probably won't but fingers crossed.

Thanks for the giveaway, hoping I win!

?Adroit - September 21, 2016, 4:35 am

Hello. I would like to get l33t so I can help out the community. With l33t, it's easier to build rep and with that you are trusted more.

I recently made a thread showing people a Dox/Database website which most people didn't know and as a result got a lot of vouches/rep.

During that situation, I couldn't keep up with the pms because of the time limit and being l33t helps.

Thanks OP. And good luck to all.

Gilbo - September 21, 2016, 4:35 am

I deserve to win this because I am a really nice person and I always take care of you when people bully you in the Discord chat.

Seriously though, I could need the BTC for investments =)

I think that i deserves it maybe because i am contributing in Sql-injection section and in Pentesting and Forensics section too by creating tutorials and with pm also ? && i am also contributing in Beginning Hacking section , and in Freebies and giveaway section too

He's hoping for an award. I think I deserve it because I'm a trustworthy membee who likes to help others in the Innuendo section and whenever else I'm able to. I keep my thread updated on my transition to male and it's been informative for others. :D

Pretty sure you meant September 23rd, not 23th. Just for that, I deserve an upgrade.

Just kidding about that part, but epic would be nice.

I am interested in obtaining UB3R. It would benefit the site and my self. Once I begin selling my ebook (if all ready upgraded to ub3r, I will host giveaways for half of my earnings)
