Thread: [Skype compromised again lol](#)

Heart - August 24, 2016, 9:45 am

always confirm its me you're talking to offsite before dealing.

TRAUMA - August 24, 2016, 9:45 am

yo bro, just curious if we are supposed to care

? are u retarded or smth lol

Jo3Shmo - August 24, 2016, 9:58 am

How you be getting hacked when you is on hf. I think you lyin

Varane - August 24, 2016, 9:58 am

Thank you for the warning, was about to do a \$1200 deal with him but i saw this thread! Vouch for OP and good luck with sales.

dude its possible to hjack someone skype ...seo

Hamekaze - August 24, 2016, 4:04 pm

Thanks for the warning, don't worry about the autistic people.

TheSuspect - August 25, 2016, 1:17 am

I vouch for this high quality user, flawless, best booter on hackforums.

Prince™ - August 25, 2016, 6:46 am

At once I thought the whole Skype got compromised. LOL! ?

Ambien - *August 26, 2016, 11:48 pm*

thank god I saw this before I dealt would've got scammed thx
