Thread: [Selling AMP Lists.](#)

Disco. - August 24, 2016, 10:38 am

Hey HF!

I'm selling DDoS AMP Lists today. I'll scan either of the following for you for 12 hours and then filter and sort should you need that.

\$5 for a Lists.

\$10 for 3 Lists.

AMP Types.

Spoiler [\(Click to View\)](#)

SSDP

NTP

DNS

MSSQL

TS3

QUAKE

CHARGEN

SNMP

LMK if you're interested. 1 vouch copy of a List of your choice will be given out.

J?son - August 24, 2016, 10:38 am

Scanners and scripts can be found on my pastebin.

Smh, you wouldn't post this on 1Kodak's thread because he's an UB3R, I'm L33T so you will.
Thanks dude!

jk

go fuck yourself

Gigabear - August 24, 2016, 10:43 am

Some of these have been public for like 2,3+ years

Edit: user clarified that hes only selling da lists

Disco. - August 24, 2016, 10:44 am

I meant lists and just fucked up typing it xd

go fuck yourself

Kodak sells amplification lists, not public attack scripts.

Disco. - August 24, 2016, 10:45 am

I meant amp lists lmao, i just fucked up typing it.
