So, how many of you guys heard about the new rapper A Boogie, (Artist Dubose)? Just curious

pewdiejoey - August 24, 2016, 11:49 pm

Oh shit my cousin was just telling me about him the other day but I haven't gotten a chance to listen to his music. Got any recommendations?

HacksFromFlux - August 25, 2016, 12:09 am

Just listened to him, he has potential.

I like A boogie a lot, he has a ton of good songs.

Jungle, Not a Regular Person, Game Winnerz, and the list goes on!

Eh, hes not really popular right now.. I'd say he is making his name a little more known though....

I mean drake called him out for Summer Sixteen MSG show in New York, which is incredible for someone like drake to call him out no?

Just met him on the weekend at a show and he's FIRE

PerfectStorm - February 11, 2019, 11:42 pm

This is the first time I heard his name if I am honest.

BRB YouTube time !

Yeah I have no idea what that means man.

Playboy - February 12, 2019, 12:17 am

OP do you mean the rapper a Boogie with a Hoodie? If so, I listened to him before he blew up

Apologies to the OP for the OT reply.
