CHEAP PS3 RECOVERY SERVICE

If you are intrested in buying or have questions. Feel free to pm me. Remember. BTC is the only payment method unless i deem you trusted. If you couldnt be bothered to read the 'About My Services' section, there are 2 vouch copies up for grabs for L33T and UB3R. First to PM gets it. COD Only!

P.S Although the chance of you getting banned are minimal. I will not take responsibility if you do get banned.

i hear now you have to manually contact rockstar to transfer,
but maybe I'm wrong not sure
its a good business dont get me wrong

no you don't lol
just because its not transferrable doesn't mean you should stop
you can still give recoveries for ps3 so its not a complete loss
just wanted to let you know

happy selling though
