I went to the store a couple of days ago and loaded this pre-paid credit card.

I bought like 10x IP-Vanish Premium VPN , Accounts to give away .

" This doesn't violate the TOS , I think because I never logged in I just purchased them as I have my own private VPN " .

So I will give away accounts to loads of people , just reply and I will tell you where to contact me as I do not have the amount of posts to PM..

NOTE : This is obtained legally through a pre-paid credit card purchased and loaded by me just to clear any thing.

CONTACT ME ON SKYPE : FederalNiggas@outlook.com
bump .. still giving these out ..
