Thread: [Signature for sales thread](#)

DontQQSoMuch - August 27, 2016, 2:50 pm

Hey! I was wondering if someone could make me a simple signature (.gif) for my sales thread. The Minecraft logo should pop up first, then it disappears, then a text should appear saying "Full access Minecraft accounts", then that disappears and "for only \$1 per account" appears, maybe a bit more conspicuous than the other text, which disappears and then "Multiple times vouched" should appear as the last text. A simple background, nothing fancy.

I can do this for you in the morning mate, what colours you going for?

Also do you want your name or anything else to be in it?
Let me know man :)

Thank you so much. I don't have any specific colours in mind, just something that fits and no, I don't want my name in it.

Alright, and no problem.

I have a few request under my belt but I'm trying to do these simpler ones to get a bit of inspiration, I'll start it in the morning :)
