Thread: [\[Shopify\] Error when uploading theme](#)

kervz - August 27, 2016, 2:59 pm

So I've found an awesome theme that I want to upload, but it keeps giving me this error even though these files are present in the .zip

2073436 - August 27, 2016, 3:01 pm

Where did you obtain that theme from?

Already checked it out, wasn't of any help unfortunately.

Worked when I compressed the zipped file!
