Thread: [Call Our 24/7 Illuminati HF Hotline \[US Number\] \(Yes, it's real\)](#)

Chrylix - August 27, 2016, 6:31 pm

So, I've setup a HF hotline with many different departments.

- 1) Help with bullshit ebooks.
- 2) Advice resolving deal disputes.
- 3) Upgraded member support.

Oh, and also a section to leave a voicemail which I'll probably post here.

Come chat with our excellent callcenter staff.

+1 (914) 205-9662

EDIT: It's now been rebranded for the illuminati, check it out and come speak to the dark lord.

(Simply call the number above and press either 1, 2 or 3 to get connected to one of our support staff.)

We have some lovely hold music too.
