Thread: [Free Middleman Service | Trusted | 100s of exchanges done | Legit | Fast](#)

Black Kodak - August 27, 2016, 6:55 pm

Thought I would give back to the community a little more than I already do so here we are :D

Let's set this straight for the record:

I will NOT Middleman a deal with Paypal.

I will only use HF PM to contact both parties, no 3rd party applications.

Terms of Service

You will not go back on the deal after my service unless both parties agree on it.

I WILL NOT be held accountable for any scams/disputes that take place after the service is completed.

All sales are final.

Feel free to look at my rep and posts for vouches.
