Thread: [SatoshiMines Script V 1.2 | Earn Bitcoin Daily | \\$100+ Daily | BitCoin SatoshiMines S](#)

maskhush - August 27, 2016, 11:14 pm

Hey People of Hackforums

Here I m selling a script for satoshimines.com which is totally automated and its good for earning easy bitcoin from that website.

You can play practice game there so you will understand how its works.
Depend How much you investing :D

But i suggest dont invest much even start with 5\$

Pm me to buy

Thanks.

TheCoreMan

Any vouch copies and proof ?

maskhush - August 27, 2016, 11:24 pm

I'm not big seller and its my first product so i cant give any vouch for now and for proof i cant post here because i have less 50 post

You can PM me or show me some winning proof over TV, I will buy it right then !

or I should give you my skype ?

maskhush - August 27, 2016, 11:26 pm

Yah add me skype : indianmasoom@live.com i will give u screenshot of yesterday winning

SpacePupper - August 27, 2016, 11:27 pm

Is this the same as <https://hackforums.net/showthread.php?tid=5323146> which you bought 6 days ago. Trying to resell?
