Well...

I gotta say that was a HQ Tutorial..

Not to mention that it's from 2014 but cool.

Btw i have a question,Why don't you just use the setoolkit for spoofed sms?

This thread was of the most retarded ones I've seen in awhile.

Yeah, you can google things, just like everyone else. Get over it

Yeah, you can google things, just like everyone else. Get over itHow can it be that retarded when you're already the most retarded person to be alive?

foxtrott50 - September 2, 2016, 7:16 am

ok, ok, ok, now i'm really scared. Is this even possible?
