Honestly depends on ur content
Small - my last one he got 75 active subs
Medium - she got 149
Large - around 368.

Like, if my network were to ask I'd be safe with just saying advertising, right?

Overall this seems like a great service you're offering, way better than paying for views and hoping you have a decent CPM. I'll buy it when I get consistent with youtube and the money.
