WTF He do?: Scammed me out of a UNFUDable source that was leaked!

He said he would teach me how to FUD it? Fail because he hasn't been on for that. Cache leaked this source and besides, 11/32 detected. Trololololol.

Confidential Pictures:

Now this is where it gets funnier.

Get ready to laugh!

Not fair!

That's my scam report.

EDIT: Second Scam Report Already!!?!

Good report, everything's there. Do you have any PMs or posts of them telling you their MSN?

I gave them their MSN.

I didn't find anything suspicious there tho since everything was done over MSN.

EDIT: I PM'd him first. That's why.
