Thread: [Scammed \\$66 by Fast and Furious UID=1694427](#)

**toneyhh** - August 30, 2016, 1:51 pm

Basically we both agreed that I want \$60 in btc and paid him \$66 via paypal. He stopped responding after an hour and then said he forgot his phone home. Then i told him i'll give you 2 more hours to transfer me the money or i will open a deal dispute. Still haven't heard from him.

This is his forum profile: <https://hackforums.net/member.php?action=profile&uid=1694427>

I feel bad for you but honestly its your fault, he is one of the recent big scammers, he recently changed his name from The Brotherhood to suicide squad to this, and he scammed in all of them  
Start looking at people's trust scan and rep before dealing ! and use a middleman  
I even wrote DWC check his scan before dealing in his topic earlier today  
Good luck man

you must wait 24h before opening a deal dispute

I think that's irrelevant in this case, the defendant is a known scammer
