Thread: [UID: 3043341 = Letsmakeit\) < Broke our DEAL. Was 30min Late + "Suck my dick". DWC!](#)

TheVBScripter - September 2, 2016, 6:51 am

Hey you all!

I'm having a great day so far, except that 1 member broke our deal, after being late for 30min and spammed "Suck my dick" at Skype after he broke our deal / agreement.

As you can see here:

<https://hackforums.net/showthread.php?tid=5392972&pid=52302128#pid52302128>

This user: [Letsmakeit](#)

Agreed with me too:

- Get my Skype Mentorship for \$25 (for 1 session, no time limit)
- be 100% to pay me
- be 100% to be online at 9 AM (his time) which is 3 PM (my time)

He replied with (and I quote):

"Yes I am for sure" "it's a deal".

Read here proof / screenshot of our agreement (partially):

I waited till 15:30 (a bit earlier, but whatever) he came online with "Sorry about that".

I told him that it's was okay and that I'd like to start our session as we agreed on.

He broke our deal (by not paying me + cancelling our deal).

I told him I'd screenshot a part of our Skype message and he started to spam me with (visible in the right down cornor of that screenshot):

"Suck my dick".

This was AFTER I said that he made a promise to me + an agreement which I specially made FOR HIM.

I put the 3 PM session in my agenda and he agreed (yesterday as visible in the screenshot) to pay me 100% today at 3 PM before we start!

I can't show you any further proof, because I blocked him + reported him at Skype.

So I'd like to say this as a warning to ALL of you who want (or did) to deal with him.

Deal With Caution!

This member does NOT keep his word, does NOT pay you as promised and WILL SPAM YOU AFTER!

I will close this thread now, because this isn't open for discussion. He broke our deal and I want to warn you guys for this!

If you don't believe me, feel free to deal with "Letsmakeit".

If you do believe me, please stay away from this new LQ user!
