Thread: [Modern Warfare Remastered | Discussion](#)

Views - September 3, 2016, 12:05 pm

Figured this would be a good discussion thread to release since the first gameplay videos are being uploaded now, I can personally say that I think this game will be amazing the guns look the same just with better graphics, and they kept all of the original killstreaks including getting helicopters with your helicopter everyone who bought digital deluxe version, or season pass included with IW, will be getting all 16 original maps.

[Video: <https://www.youtube.com/watch?v=TmRIBZs5eF8>]

10/8/16

the game has recently released campaign mode to the PS4 gaming system so all of the guns are able to be used and a lot of the core mechanics of the game have been put into the limelight although these are only campaign gameplay's they do show gameplay, I figured I'd bring this discussion back up since there is more material to be discussed now.

illuminati? - September 3, 2016, 12:09 pm

God damn that shit looks so fucking crisp.

Lufasu - September 3, 2016, 12:13 pm

Already got this , i gonna play only this COD .
not those shitty new ones.

?Shatter? - September 3, 2016, 12:14 pm

Oh my god, this looks real good.

Heartboy - September 3, 2016, 12:22 pm

My soul is ready. This comes out in November correct? Fucking hell.

?Shatter? - September 3, 2016, 12:25 pm

(Sep 3, 2016 12:22 PM)Greenbacks Wrote: [\[CITE\]](#) My soul is ready. This comes out in November correct? Fucking hell.

Lmao fuck, I gotta decide if I get a console or PC. I want to play with the group so bad lol.

Heartboy - September 3, 2016, 12:26 pm

(Sep 3, 2016 12:25 PM)Nicko Savage Wrote: [\[CITE\]](#) Lmao fuck, I gotta decide if I get a console or PC. I want to play with the group so bad lol.

Same, I start a new job on Tuesday so I might have to buy an Xbone for the true CoD community haha. This will be amazing on Ps4 as well though. I think I'd have to update my GFX card before my PC could play this.

?Shatter? - September 3, 2016, 12:27 pm

I have an interview weds hopefully i get the job. Ill have to decide on Xbone or PC The game will look amazing as fuck on pc man.

Ongoing - September 3, 2016, 1:03 pm

Fuck BF1, this is going to be more populated than BF1 will ever be, lmao.

?Shatter? - September 3, 2016, 1:04 pm

(Sep 3, 2016 01:03 PM)Ongoing Wrote: [\[CITE\]](#) Fuck BF1, this is going to be more populated than BF1 will ever be, lmao.

I agree man. I'm so hyped

W?If - September 3, 2016, 1:07 pm

Damn this game looks crisp asf, can't wait to cop this off ebay lol

Fortunate - September 3, 2016, 1:37 pm

Looks cool, although i kinda dislike the FOV, it doesn't feel the same, but i like the new text and the graphics, can't wait!!!

thales - September 3, 2016, 7:36 pm

This looks like cod 4 + mw3 + mw2 all combined :O

W?If - September 3, 2016, 7:36 pm

(Sep 3, 2016 07:34 PM)blessthefall Wrote: [\[CITE\]](#) CoD barely has a community on PC. Would avoid CoD on PC at all costs.

Yep pretty much this, cod grew up on console and will stay popular on console.

illuminati? - September 3, 2016, 8:15 pm

(Sep 3, 2016 01:03 PM)Ongoing Wrote: [\[CITE\]](#) Fuck BF1, this is going to be more populated than BF1 will ever be, lmao.

Why fuck BF1?

Battlefield 1 is going to be amazing.

Also, it's going to be populated with fucktards who think that they're good at the game, and fagg0ts who're new to the cod scene who think they're god's at quickscoping. I'm also willing to wager DDoS'ing fagg0ts will make a return, because they're terrible at the game.

W?If - September 3, 2016, 8:16 pm

(Sep 3, 2016 07:37 PM)blessthefall Wrote: [\[CITE\]](#) It would look exactly the same on PC. It would be a port.

If you plan to play competitively, get it on the PS4 for sure.

Oddly. CoD has always been one of those games that actually feels better playing on consoles(controllers)

I preordered CoD Infinite Warfare Legacy edition on Amazon with my prime membership discount. (\$64+tax USD)

I actually feel like this CoD is gonna be a great one. I think it's going to be the same since AW. I'm going to be buying cod 4 off ebay when it comes out c:

Gary - September 3, 2016, 8:19 pm

Looks like shit. The snipers look like absolute shit.

W?If - September 3, 2016, 8:19 pm

(Sep 3, 2016 08:19 PM)Gary. Wrote: [\[CITE\]](#) Looks like shit. The snipers look like absolute shit. Couldn't agree more, they look stupid asf well every gun does.

Free Kodak - September 3, 2016, 8:20 pm

looks like a really fun game I started out on cod 4. But i won't get to play it too much unfortunately I have to play IW since I am trying to get sponsored.

Gary - September 3, 2016, 8:24 pm

(Sep 3, 2016 08:19 PM)W?If Wrote: [\[CITE\]](#) Couldn't agree more, they look stupid asf well every gun does.

some guns look fine but teh snipers are horrendous

(Sep 3, 2016 08:20 PM)WashedUp Wrote: [\[CITE\]](#) looks like a really fun game I started out on cod 4. But i won't get to play it too much unfortunately I have to play IW since I am trying to get sponsored. your signature is shitty as fuck. Looks like some retard made it.

They have a shield which when you touch other players it kill them instantly...

Gary - September 3, 2016, 8:25 pm

(Sep 3, 2016 08:25 PM)W?If Wrote: [\[CITE\]](#) They have a shield which when you touch other players it kill them instantly...

Did you mean the riot shield? That's normal sorta

W?If - September 3, 2016, 8:26 pm

(Sep 3, 2016 08:25 PM)Gary. Wrote: [\[CITE\]](#) Did you mean the riot shield? That's normal sorta no you should have seen the way it was, he likes runs and touches them and kills them instantly. It looks like a riot shield, but an OP asf one at that.

Gary - September 3, 2016, 8:49 pm

(Sep 3, 2016 08:26 PM)W?If Wrote: [\[CITE\]](#) no you should have seen the way it was, he likes runs and touches them and kills them instantly. It looks like a riot shield, but an OP asf one at that. looks stupid dont really care im not buying the game lol

Demonstrate - September 3, 2016, 11:21 pm

Just imagine how it'll look on PC. Also I fear that the game will be good, but many will complain and patches will ruin it.

TITAN MAN 23 - September 4, 2016, 5:35 am

I'm glad I've pre-ordered the game. Any PS4 players? So we could team up 6-man lobby?

Gary - September 4, 2016, 5:35 am

(Sep 4, 2016 05:35 AM)Snowxan Wrote: [\[CITE\]](#) I'm glad I've pre-ordered the game. Any PS4 players? So we could team up 6-man lobby?
I'm not buying that game. Its not worth the money.

Lufasu - September 4, 2016, 6:07 am

(Sep 4, 2016 05:35 AM)Snowxan Wrote: [\[CITE\]](#) I'm glad I've pre-ordered the game. Any PS4 players? So we could team up 6-man lobby?

i bought for my lil bro for his PS , i can play with you :).

mural - September 4, 2016, 1:05 pm

They still hate sniping.

Sniping isn't the same and that's all I did in COD 4

m40a3 acog best

Rafis - September 4, 2016, 1:25 pm

Hope it turns out to be everything we want it to be. Would be sad to be hyped for this long only to be disappointed (not like that hasn't happened many times though).

Kyzr - September 4, 2016, 2:07 pm

I saw the gameplay and I want to play sooo bad, but not on PC though, and I sold my xb1 last year so rip me..

Free Kodak - September 4, 2016, 7:59 pm

Yea my first cod was cod4 it was an amazing game, glad they decided to add all maps instead of just 10

Lufasu - September 4, 2016, 8:03 pm

(Sep 4, 2016 07:59 PM)WashedUp Wrote: [\[CITE\]](#) Yea my first cod was cod4 it was an amazing game, glad they decided to add all maps instead of just 10
ye atleast they bring this game back to life , gonna practice on my sniper skills again ;p

Kyzr - September 6, 2016, 9:03 am

(Sep 4, 2016 08:03 PM)Brusk Wrote: [\[CITE\]](#) ye atleast they bring this game back to life , gonna practice on my sniper skills again ;p
Ahh sniping on Modern Warfare, those were the good times.

Cooligan - October 2, 2016, 2:19 am

Holy shit this game looks so orgasmic, I legit cannot wait until it's out.

This is a video of my from back in the day on the old CoD4, this is why I can't wait until it's back out..

Incarnati0n - October 2, 2016, 5:39 am

This actually looks like it would be very nostalgic and maybe bring some faith back into Call of Duty (at least in my eyes)
Thanks for the share and I hope they release it soon.

ryan? - October 8, 2016, 9:52 pm

(Sep 6, 2016 09:03 AM)Kyzr Wrote: [\[CITE\]](#) Ahh sniping on Modern Warfare, those were the good times.
It's gonna be so nice having auto-aim on a sniper again, ah cant wait. ?

Zexo - October 8, 2016, 9:53 pm

Not buying advanced shitfare to play it but it looks good.

zeroday - October 9, 2016, 3:09 am

Honestly, I stopped following COD at like BO2 and then come back for a little with AW and then quit for life. This game might be the game that brings me back to COD.

Allelujah - October 9, 2016, 8:18 am

This is the only CoD I will play. If they remake MW2 I'll play that as well.

The day this game went offline, I never played another CoD game. I did buy MW2 on the PC, but it's not the same for me.

ryan? - October 9, 2016, 8:26 am

(Oct 9, 2016 03:09 AM)Davin Wrote: [\[CITE\]](#) Honestly, I stopped following COD at like BO2 and then come back for a little with AW and then quit for life. This game might be the game that brings me back to COD.

AW was the worst time to come back, the only thing that failed harder was probably Ghost.

zeroday - October 9, 2016, 9:07 am

(Oct 9, 2016 08:26 AM)ryand8 Wrote: [\[CITE\]](#) AW was the worst time to come back, the only thing that failed harder was probably Ghost.

I never got a chance to play Ghost but I've only heard bad things about it ?

And yeah, AW was very weird for me but I did start liking it a bit (mainly because I had a gold exo thing).

zeroday - October 9, 2016, 10:18 am

(Oct 9, 2016 10:05 AM)blessthefall Wrote: [\[CITE\]](#) When Ghost was announced, I didn't even bother with CoD until BO3.

I heard Ghost was really bad for the average gamer, but it was really healthy for the CoD Competitive scene.

Ah well I don't blame them for focusing on the competitive scene, even if it did damage the average gamers gameplay.

Fortunate - October 9, 2016, 10:22 am

I am just going to buy infinite warfare to play the remastered, looks so good.

Rafis - October 9, 2016, 11:03 am

(Oct 8, 2016 09:53 PM)Zexo Wrote: [\[CITE\]](#) Not buying advanced shitfare to play it but it looks good. Same here, would totally buy the game alone but not buying both games just to play one. I feel like that was a shitty business standpoint for them, am I the only one thinking this?

zeroday - October 9, 2016, 1:02 pm

(Oct 9, 2016 11:03 AM)Rafis Wrote: [\[CITE\]](#) Same here, would totally buy the game alone but not buying both games just to play one. I feel like that was a shitty business standpoint for them, am I the only one thinking this.

Wait what? You have to own AW to play the new COD game?

Rafis - October 9, 2016, 1:31 pm

(Oct 9, 2016 01:02 PM)Davin Wrote: [\[CITE\]](#) Wait what? You have to own AW to play the new COD game?

You have to buy a special edition (I believe) of the new Infinite Warfare to get access to Modern Warfare Remastered.

????????????????4k - October 9, 2016, 2:22 pm

cant wait till it comes out.. been playing bo3 for the past 4 days.. cuz i thought it would be decent..

but the flying and shit really fucked shit up.

if they didnt add the fly shit bo3 would be great. also its very smart u need to buy the Special version for the game..

Zexo - October 9, 2016, 2:54 pm

(Oct 9, 2016 11:03 AM)Rafis Wrote: [\[CITE\]](#) Same here, would totally buy the game alone but not buying both games just to play one. I feel like that was a shitty business standpoint for them, am I the only one thinking this.

Shitty yes but it was also smart.

If they released both games separate at the start what would people buy? That's right the of 4 game however it makes aw look good because people are buying it even if it is only for cod 4.

Rafis - October 9, 2016, 3:40 pm

(Oct 9, 2016 02:54 PM)Zexo Wrote: [\[CITE\]](#) Shitty yes but it was also smart.

True, but there's also a lot of people like myself who aren't going to buy it at all. I guess beggars can't be choosers.

Zexo - October 9, 2016, 3:41 pm

(Oct 9, 2016 03:40 PM)Rafis Wrote: [\[CITE\]](#) True, but there's also a lot of people like myself who aren't going to buy it at all. I guess beggars can't be choosers.

Yes but all the diehard fans will buy it now and then they will release it solo and still make sales off the game.

W?If - October 9, 2016, 3:49 pm

(Oct 9, 2016 03:41 PM)Zexo Wrote: [\[CITE\]](#) Yes but all the diehard fans will buy it now and then they will release it solo and still make sales off the game.

Pretty much this, It's bullshit I love cod 4 and been craving a boots to ground cod for the longest and to have to buy the \$80 bundle is a big fuck you from them.

Rafis - October 9, 2016, 4:53 pm

(Oct 9, 2016 03:41 PM)Zexo Wrote: [\[CITE\]](#) Yes but all the diehard fans will buy it now and then they will release it solo and still make sales off the game.

Yup, sucks man. Might have to cave in too if these end of the year games don't turn out good.

Method - October 11, 2016, 3:30 pm

Remastered won't have a set compulsory bundle purchase for a long time. I give it maybe a month because they will make more sales individually. IW is going to be trash, as they're going with the futuristic frame once again.

I can't wait to see what COD4RM brings to the competitive scene though. I'm personally hyped for a hearing about mw2RM.

Baysick - October 11, 2016, 7:54 pm

I'm down for them to even up the price of the original MW Remastered a little bit if they are going to release it by itself, but if you want me to get IW along with it, hell no.

'Suicide - October 11, 2016, 10:39 pm

Finally just preordered this game, debating if I trust myself to drop more cash or to wsit
