(Sep 3, 2016 05:05 PM)Scorpi0n Wrote: [\[CITE\]](#) Vouch, has some SUPER nice products!

(Sep 3, 2016 05:23 PM)mklI Wrote: [\[CITE\]](#) Vouch for this guys, HQ user, we need more guys like him on HF (Sep 4, 2016 11:25 AM)TechCoreDevelopment Wrote: [\[CITE\]](#) Galaxy Cracker is a Awesome Cracker. Every feature is working perfectly.

Design | GUI: 10/10 The design is user friendly and absolutely perfect

Overview : 9.5/10 I Didn't had any big issues and notice any errors

Price: 10/10 To be honest I think op should raise the price because it's worth more than the listed price

Thanks man big HQ Product!!!

Terms And Conditions

Spoiler ([Click to View](#))

1. You may not use this program on any accounts you do not own or have full consent from the owner of.
2. You will only use this program for educational or legal penetration testing uses and to restore lost passwords.
3. The owner and seller of this program is not responsible for any of your actions when using this program.
4. You will not chargeback this product.
5. You will not attempt to decompile or reverse engineer this program.
6. You will not attempt to leak this program.
7. I can change the terms of service at any time.
8. You accept full responsibility for your actions when using this program.
9. You understand that using this program on accounts you do not own will most probably end up in legal action being taken against you.
10. You understand that Ultimate Restore is a program designed specifically for use on accounts that you own, whether that be for educational uses, legal penetration testing or to recover a password that you have lost. It is not designed for any illegal use.
11. You understand that using this program illegally may result in you getting into trouble with the law, and that the owner and seller of this program is not responsible for your actions. Only you are responsible.

Thanks for the vouches/ and feedbacks guys ?

Don Genovese - September 4, 2016, 1:02 am

Vouch for Paradise, this is a great product, one of the best crackers there are!

Pittinger - September 4, 2016, 4:21 am

As usual, Paradise has great products up for grabs. Vouch and glws.

?etro - September 4, 2016, 6:13 am

Vouch for Paradise. He is a great guy.

Riyu - September 4, 2016, 7:21 am

Really nice cracker

Good luck with sales

GDKI? ? - September 4, 2016, 11:25 am

Galaxy Cracker is a Awesome Cracker. Every feature is working perfectly.

Design | GUI: 10/10 The design is user friendly and absolutely perfect

Overview : 9.5/10 I Didn't had any big issues and notice any errors

Price: 10/10 To be honest I think op should raise the price because it's worth more than the listed price

Thanks man big HQ Product!!!
