Hey you all,

As you may know. I've opened several community alerts for members who are scamming, who scammed before or who continue to deal at HF without resolving their scam report!

EDITED:

I will close this thread now so she can't spread anymore LIES here!

@Stephanie046,

I will NOT reply to any of your posts, replies or comments.

This is COMMUNITY ALERT, not a discussion thread (all the FACTS are in the scammers thread, which I posted here below)

This user: [Stephanie046](#)

UID = 2987553

Reason I can't contact her: "The member Stephanie046 has you on their ignore list."

Scammed this user: NFL for \$60

Scam report AGAINST her: <https://hackforums.net/showthread.php?tid=5244312>

I took a SCREENSHOT of NFL (who got scammed by Stephanie046) that he doesn't understand why SHE IS STILL AN ACTIVE SELLER!

Read here NFL's comments: <https://hackforums.net/showthread.php?tid=5244312>

I don't want ANYBODY to get SCAMMED by her. So please DWC!!!

Extra information (which I can't proof due to "leaking" personal information rule):

- She SCAMMED many people online at a Dutch site: www.marktplaats.nl (yes, stand alone mothers, people who bought PRESENTS for her kids, etc..) this all happened under false names
- She STOLE money from her parents to buy drugs
- She's USING her lover to buy her DRUGS and CLOTHING / LUXURY THINGS

So long story short:

Stephanie046 is a SCAMMER for a very long time & is still active!

The question is not IF she'll scam, but WHEN she'll scam again!

I am closing this thread now, because I want to WARN members.

This is not open for DISCUSSION. These are FACTS!

NFL got proof

You were "scared" that NFL would trace you over Facebook because you scammed him...
And now you're in denial ?

Anyway...

@ALL: (if you need more info --- feel free to PM me!)

I will close this thread now so she can't spread anymore LIES here!

DWC WITH THIS LQ USER!!!
