Thread: [90% Autopilot Money Making! \[Money Making Bot\]](#)

P1R4T3 - September 4, 2016, 6:58 am

Hello, today i will show you a way to earn some pocket money on autopilot!

Step 1.

Register on these two websites

[Website 1](#) - Bot will automate work on this website by 90%, you will only need to enter 1-2 captchas and everything else will be done by it.

[Website 2](#) - Bot will automate work on this website by 95%, you will only need to enter 1 captcha and everything else will be done by it.

[Website 3](#)(optional) - Bot will automate work on this website by 20%, you will need to enter all captchas and everything else will be done by it.

Step 2.

Download automation bot that will do all the work from here:

<http://www.up-4ever.com/70fad509p7zf>

Virus scan:

<https://virustotal.com/en/file/8f38afdc3558c370c546b354b50c4d5fcdad6a66be6788f21570d8d61df4e/be9/analysis/1472996779/>

Few false positives, feel free to run it on virtual machine.

Step 3.

Install the bot, click on settings add your login information and click start.

That's it, run the bot all day and you will earn some extra money :)

I am using it directly on my windows 10

Those are just false positives, bot is harmless.

Depends how long the bot is running, what membership type you have on websites, how many referrals you have, etc...

To hard to predict
