I watch anime whenever I get the feeling.

I almost never watch anime

"-Haaaaaaaaaaaaaaaaaaaaaaaaaaaaa"

And I don't watch anime as quite often as I used to due to getting busier over the years. However, when I get the urge to watch it I usually binge an entire anime or 2 for a few hours.

Malthemar - September 4, 2016, 8:54 am

I wish I had the time to watch more anime.

I'm a really busy person and have a lot of people relying on me.

Can't burn away precious time doing the things I love, unfortunately.

Mafty Navue Erin - September 4, 2016, 10:17 am

Pretty much whenever I get the feeling. I have nothing but free time.

Professor Pantsu - September 4, 2016, 3:02 pm

Sometimes weeks I'll spend all my free time watching anime and some weeks I won't watch anything at all.

It's the same with video games for me. The only thing I do constantly is internet stuff.

Deany - September 4, 2016, 3:03 pm

I watch anime whenever I get the feeling.*

Some months I game more and watch less things, other months I watch a lot of stuff and game less. It's been going like that for years D:

But what if I'm doing the computer and drinking part all at the same time?

Well, I didn't add the multi process support to my system yet, can't compare efficiency <.<

Lyralei - September 7, 2016, 4:07 pm

I watch anime whenever I get the feeling. There's not much to watch now tbh :c

iGameKing - September 7, 2016, 4:36 pm

I look at anime in the morning,

I look at anime in the afternoon,

I look at anime in the evening,

I look at anime in the night,

because I thought they were stupid childish things and instead are spectacular :)

Crya - September 7, 2016, 5:06 pm

When I want to chill I will play a game on my 1st monitor then have a anime going on my second monitor. Unless I am super into the anime then I normally multi task.

Noah™ - September 7, 2016, 7:35 pm

I don't get how someone could constantly watch anime. I watch a few episodes of the seasonal shows I'm watching every night before bed but other than that it's pretty rare that I watch anime. I would consider myself a big fan though.
