Thread: [Free Amazon AWS \(VPS Servers\), CentOS, Windows](#)

Soldiers - September 4, 2016, 11:18 am

Today i'll be giving away some "Amazon AWS VPS Servers"

Specs may vary

I'm doing this because most of you's can't seem to Aquire them so i'm here to provide them

Operating Systems:

Windows Servers 2012 R2 Base
Centos

They last for 12month(1 year)

No Illegal Activities or else face suspension.

PM ME for A server

Lord_Jesus - September 4, 2016, 11:19 am

I can vouch for that, I received my windows one.

If you are wondering were these went

it states on thread "

No Illegal Activities or else face suspension. "

and too many abused so i terminated all free. sorry.

skillzforme - September 6, 2016, 2:47 pm

Hey mate, I would like to have one please:)

Cheers!

Soldiers - September 6, 2016, 2:48 pm

Staff Close this it was abused too much.

i95swervin - September 6, 2016, 2:55 pm

My convo with OP before he announced the termination of all vps servers that he gave away for "free".
