Playing with Logo

Open image in new tab to re-watch animation

Done with AE, thanks to the help of That Guy Maxim.

Any tips on improvement? ?

SupremeTM - September 5, 2016, 1:22 pm

Looks really clean and nice 8/10 for sure

Intern - September 5, 2016, 1:42 pm

Neat bud, if you used photoshop to export I think there's a selection where you can make it play inf.

Keep it up , can't wait to see more.

I didnt want the infinite loop ? So I disabled it.

DuKempii - September 6, 2016, 4:16 pm

Its pretty clean and very nice :). Rate 9/10! Keep it up bro!

(Sep 6, 2016 05:32 PM)Brodis Wrote: [\[CITE\]](#) Fresh work bro.

Is it easy to make those?

Pretty easy yes. If you're familiar with other Adobe programs it's just a matter of learning the tools.

M?xim - September 7, 2016, 4:48 pm

Somehow I managed to miss this thread. Looking real good Saturn, good job.

Akimbo_Ninja713 - September 8, 2016, 2:24 am

Could you make a few video tutorials? Youtube never tends to give me these advanced type of tuts

sick grave dig homie but nice graphics op

LookerUpper - September 30, 2016, 3:03 pm

nice job very clean ill give it 9/10

MetalMonkey - October 1, 2016, 6:44 am

Looks awesome, too bad it has to be for a ddos service :/

danaox12 - October 2, 2016, 9:36 am

Very creative, look cool.
