Thread: [\[EVERYONE\] Emerald Award/Upgrade Contest \[#2\]](#)

False King - September 5, 2016, 12:41 pm

Hi there! I'm back once more with another contest (this this in the correct section, I hope). Like I said in the previous contest, there will be more of these in the future!

What's there to win:

It's up to you to choose between either an upgrade (ub3r, 3p1c, l33t) or the Emerald Award.

What to do to enter the contest:

Just post in this thread, however make sure you include what you want to win. Posts without this, won't be counted.

How do I pick the winner?

As in my previous contest, I will use random.org to pick a random post, this way everyone has a fair chance.

End date:

This contest will close (& the winner will be announced on): September 25th 2016

Requirements:

- You must have a positive reputation
- You may not have any open scam reports
- You must pass the trust scan and have no IP's matching other members

Past contests:

#1 - <https://hackforums.net/showthread.php?tid=5380102>

Good luck to everyone!
