Thread: [SZociety - 5 Letter OG Gamertag Giveaway](#)

SZociety - September 5, 2016, 3:30 pm

Today I decided I will be doing a gamertag giveaway.

Entry for this giveaway is for anyone who meets the requirements listed below.

Requirements:

- Account must be at least 30 days old
- Positive rep
- No open scam reports

The Xbox gamertag reset and this community have allowed me to make a decent profit and a small name for myself, which I hope will grow as time goes.

I am a firm believer of giving back to those that have helped, which is exactly what I am doing here.

How to Enter:

Post a reason why you should win this gamertag giveaway and I will pick who I feel deserves it most.

Gamertag

V****

Hint: Spoiler ([Click to View](#)) relating to the palm of the hand or the sole of the foot.

End Date: September 30th, 2016

Good Luck to Everyone

Refusal - September 5, 2016, 3:32 pm

Thanks for the giveaway, I would like to enter.

I would like to own a nice tag, I have never won anything from an HF giveaway before so it would be nice. I meet the requirements :). I also believe in giving back.

- Thanks

it's the definition, it should come up

Riyu- - September 5, 2016, 5:33 pm

Thanks for the awesome giveaway. I would like to win the gamer tag as I was console banned 4 years ago and moved to ps4. Sadly I have no friends on ps4 and most my friends are on Xbox 1. I'd like having an OG gamer tag as it would make me look super cool alongside my friends with their awesome tags.

SIM-1517830 - September 6, 2016, 1:37 pm

Thanks for the giveaway! I would love to give this gamertag to my brother for his birthday. I don't have much money to spend on him, but I wish I could give him so much more. This gamertag would make his year!

In my hackforums career I have also done gamertag giveaways. I've given away around 8 gamertags to date. I've also done counter strike related giveaways. So if you're looking to give the tag away to someone who gives back to the community, I'm your guy!

Flxwn - September 7, 2016, 12:28 am

Thanks for the giveaway!

I never really had a OG tag since everyone on here grabs them quickly, if i were to get this tag i would keep it and have it forever or maybe give it to another user on here whose looking for a nice tag!

Why do I think I deserve to win?

I think I deserve to win because I have excessively been trying to giveback to the community itself. I'm not trying to kiss your ass and say another cliché post entry, but I have done things like;

Xbox live gold free account giveaways (since I registered and still on-going).

Email giveaways

MMing deals because of people exit scamming too much

AGC giveaways

Free GFX services

Upgrade contests

I would like this tag as I'm getting more involved into the gamertag scene. I have been trying to sell my current account to get another tag and am starting to get involved into the 'og' scenery in general. It would be good to chill back and not have to worry about looking for another tag and focus

more on other things revolving around HF.

SZociety - September 9, 2016, 9:02 pm

Only 20 more days left. Post and say why you feel like you deserve this gamertag

Lewd - September 9, 2016, 9:03 pm

I would like to enter pls! :D

Hicupish - September 10, 2016, 1:20 am

Thank you in advance for hosting giveaway mate.. i'm sure the lucky soul who recieves will be extremely grateful for this, I KNOW I SHOULD WOULD BE!!!

If I were to get this tag, I'd be reselling it to make some little funds to then further those funds onto a small project I'd love to get going.. never really made anything online.. would really like to get into the HF marketplace and maybe even elsewhere, besides that, the tag is one step closer to what I'd love to achieve here :)

Definitely posting to enter. Congratulations on your recent success and thank you for this opportunity.

Rezy - September 18, 2016, 2:16 am

Posting to enter.

My reason for why i want this tag.

Well firstly, This is a sick tag. Also i've had an xbox for 5 years and never owned a Original gamertag. When the reset happened i only got a 3 letter so i began to buy and sell tags(i think i sold you one 3 char) so i could afford to get a sick tag but only got me a around \$30, which was scammed off me on FK and when i wanted to start buying and selling again the prices have gone up. So would be nice to own a sick tag like this.

Good luck to all those who are entering, and thanks for hosting this giveaway.

Mizzy - September 18, 2016, 1:40 pm

And Id love to win the GT because I have never owned an OG anything before in my life.

Thanks OP

Gemini - September 19, 2016, 3:02 am

Honestly, I have never own an OG. Tried allot. You can see my threads for appraisal but actually never got the worthy one. If I got this, I will never sell it.

SZociety - September 23, 2016, 1:08 pm

Only a week left!

Tell me why you should win this gamertag while you still have the chance!

Nate - September 23, 2016, 9:26 pm

I never had an actual OG, adn tired of getting shit from these "og" folk thinking they better than me in COD, when they're fucking ass

Energy Wizard - September 23, 2016, 9:48 pm

I used to have a three letter gamertag that everyone enjoyed but now that value of it has gone from around \$150 to roughly \$15 with the reset. I ended up deleting a good amount of the people I had added because the reset gave them an ego bigger than their forehead. A new alias would be helpful, though not needed.

Thank you for the giveaway.

SZociety - September 28, 2016, 1:56 pm

2 days until I give away this tag to a lucky winner!

SZociety - September 29, 2016, 6:06 pm
