Thread: [\[\\$10 PP Giveaway\] It's as easy as posting..](#)

Sholi - September 7, 2016, 10:24 am

1. Click [here](#) and download anything that interests you (doesn't matter if it's free or not).
2. In the order notes of the checkout page enter your HF username and a number (E.g "Username - 4" make sure it's not used, see list below).
3. You need to finish the checkout process. That's it. There are a ton of free stuff so don't worry.

I will be recording a video while drawing the winner on Random.org which will happen when all the numbers are taken.

Edit: All the numbers have been taken; a winner will be picked tonight and a video will be uploaded here!

We have a WINNER!
