Arreat Summit

forum gold and cash trading community.

A small newly community, the current members are all from the game diablo and have years of experience with forum gold and cash trades. Just wanting to expand.

What the community is about:

1. Forum gold
2. Cash trades
3. Virus free mods
4. Exchange forum gold for cash

What i am offering to the community

1. 500 forum gold just to register
2. 100 forum gold per refferal
3. 10 forum gold per thread
4. 5 forum gold per reply
5. 1 USD per refferal
6. Cash prizes up in the 100's USD for reasonable activity.

All forum gold is exchangable for cash straight out of my pocket. You help me out, i reward you.

If you have any suggestions of any type or even looking for some work as in increasing traffic or offering custom jobs. Pm me i may be interested.

You need much more content, don't need any of staff members and theme is hideous. When I see tons of staff and forum is new I immediately think, oh damn, owner cannot manage (or is lazy) a forum with less than 10,000 posts, it's just destined to fail.
