Thread: [Giving away free Xbox Live Accounts!](#)

Johnapex - September 8, 2016, 10:21 am

Post down below if you would like one. They're pre-made daily and have 31 days of gold on them.

You're allowed 1 account.

I will PM you the details, if you have any other questions PM me.

You can resell them at certain places.

Like people vouching, but you don't have to!

That's it
