rip applejack 2k16

#freemymanjack

WeedlsLife - September 10, 2016, 9:00 am

That is so rippp bro lmaooo

Shoe - September 10, 2016, 9:01 am

There was already a thread on this and Omni already closed it. I'd recommend closing yours.

CONN3X10N - September 10, 2016, 9:04 am

Yawn this has been posted many times, Please Gtfo.

Description - September 10, 2016, 9:09 am

You might want to close this thread unless you don't care about being closed.

Foxez - September 10, 2016, 9:28 am

Damn guess he is getting fucked, RIP

Poodlez - September 10, 2016, 10:23 am

he isnt in jail or something, he is out on bail. gosh.

proof: (i tweeted brian krebs #freeAppleJ4ck)

I opened it before omni closed the rest, he can close this idgaf

Riggs - September 10, 2016, 11:06 am

Someone could have parsed the plaintext vDOS attack logs into a more readable format prior to public release. Navigating that .txt file is like reading the Magna Carta.

PussyDone - *September 11, 2016, 9:46 am*

R.I.P AppleJ4ck

i think he go to jail.
