Thread: [\[100 POSTS=10\\$\]Get paid .10 cents PER posts on my forum \(BTC\)](#)

Sharjah - September 10, 2016, 2:43 am

Need to start gaining activity on my forum. Get paid .10 cents per post and I will reward you every minimum 50 posts. Must have a minimum of 10 threads as well. If interested, sign up at <http://onecrypto.net/> and be sure to use Bronx as your refer so I am aware that you are entering in for this service. All posts must be quality or you will not receive any money for that post. I hope to see some users on now. This will be going on until I feel like there is enough activity

<http://onecrypto.net/> - Use Bronx as refer

Post below with your username as well so I am aware of who you are

100 posts = 10\$

BTC Payment

<http://onecrypto.net/>

OneCrypto.net is a crypto-currency related forum, however, it also includes general discussion along with a marketplace to suit all users. Granting an award to the first 50 registrations, and ONLY the first 50 users. There will be more contests in the future along with giveaways. I highly suggest signing up today to earn these benefits! Any questions, post below or PM me!

The current theme is VERY responsive and allows any sort of color to be changed. If you want it dark, you can set it dark. If you want it light, you can set it light!

I'm getting a bit confused here, are you paying 10 cents/post ? or 0.10 cents/post?? so if paying for 50 posts is that 5\$? or 5 cents? makes huge difference XD

10 cents per post. Meaning 100 posts = 10\$. Price is subject to change when activity starts

No deadline. Just until activity starts up, then I'll cancel it or minimize the per/post. I do not want this forum to be a pay-to-post forum, which is why I'm gonna end it when activity starts

I would join this community if I had any knowledge about Crypto Currencies. But I am broke so I guess not the type of community for me?

There's still a small section for any sort of general discussion. This forum is made for anyone wanting to learn or just be part of the community

Yeah but wouldn't it be active mostly for the pay to post aspect of the forum.

How long does the activation email take to come in my mailbox? ?
