Thread: [Scammed \\$90 BTC By Gamer Fusion aka endire uid=3251473](#)

Hastur - September 10, 2016, 1:05 pm

<https://hackforums.net/member.php?action=profile&uid=3251473>

I was going to buy his source code, resell rights, thread design and of course the program, here is his thread about the product he were selling. <https://hackforums.net/showthread.php?tid=5401413>

He told me \$90 and we had a deal.

In the images he confirms this deal.

I havn't recieved anything yet besides the .psd with the thread design.

Spoiler ([Click to View](#))

Payment proof:

<https://blockchain.info/address/1FWR6aQ1HYAoo7xU68CQgpGmXeTUjrrvGn>

This guy has made insane amount of money now in the past hours scamming people it's insane...

Also added it to the Dispute Database.

Rezy - September 10, 2016, 2:17 pm

I think he was hacked, but don't quote me.

Nah he sold his account mate

The GRim - September 10, 2016, 8:41 pm

Legit scam report. Sorry you got scammed.

MARCO VERRATI - September 11, 2016, 2:40 pm

Sorry for your loss hope you make it back OP.

Steve - September 11, 2016, 2:43 pm

Sorry for your loss OP. So many accounts are being hacked/sold. Definitely deal with caution from now on.
