Thread: [Free LVL 32 Pokemon Go account.](#)

Career - September 10, 2016, 2:37 pm

Just post below in order to have a chance at winning this account.

Brief description of the account: No name change available, the team chosen is Mystic, five 10k eggs ready to be put in incubators, 110/100 for the pokedex, 207,642 stardust, lots of candies for evolutions and halfway to level 33.

The email/password cannot be changed due to the fact that the Pokemon website is still under 'scheduled maintenance' but no worries as this is an old account of mine and not a cracked account that I got.

Here are some pictures of the account: <https://imgur.com/a/P0s7k>

7. No contests or drawings.

Wrong section. If you aren't giving away to everybody without restrictions, then this is NOT the correct section to post it. You want the [Member Contests](#) section.

Winner has been chosen. I have more threads with other Pokemon Go accounts I'm giving away they're just lower levels. If you didn't win this one post on my other threads for another chance. Closing this now.
