If you may take an advice from me, change the font you're using & try not to use full sentences in thread designs, stay on point ! ^^ [Thats more of marketing than design, just saying^^]

Nice to see such threads like yours, keep up the good work !:)

are you able to make me a thread design bro?

Xerxes. - September 11, 2016, 5:37 pm

Made me a thread design. Looks great, thanks a bunch.

What font do you suggest? It's always hard for me to find the right fonts.
