Thread: [Ex diamond 2seasons for sale! Euw lol acc](#)

Marketista - September 11, 2016, 9:08 am

Hi all!

I am selling my league of legends account due to the fact that I have quit the game for months now and I am not ever gonna play again.

This account was the last 2 seasons diamond (highest d3 it reached), s3 was platinum and season 2 was silver. This season has dropped to gold5 due to inactivity and because was giving it to friends to play few games.

Hello guys,

I am still selling this account. Pm me a good price and I will accept it, since I have quit lol and I just log in once in a while for a game or two for the old time shakes.

50\$ is the price I am looking for but can negotiate for a bit lower.

Hello guys. It's currently unranked with platinum MMR. Was ranked gold last season due to inactivity.

ITs price now is 30\$.
