awesome, thanks ramius :)

got it okay now. hopefully this method works lol

Haupy - September 12, 2016, 4:07 pm

Yes this works, I actually tried it once, only problem is that it's kinda hard to get tons of views or downloads, but if you manage to get nice traffic to video, you can earn a lot of money.

So.. quite good method to earn some bucks, but if you know how to get this kind of traffic, then it can be really profitable.

The new secret method is producing it, but that's way out of reach for your normal HF member... unless it's solo XD

1tap - September 13, 2016, 8:46 am

500\$/day is a bit harsh.

But nice share

Yin Yang - September 13, 2016, 8:52 am

\$500 a day? More like .05 cents

?unx - September 13, 2016, 8:56 am

You could easily make money with different niche using this method, I've got few ideas for this. Thanks for the share.

HIGH PAID FELLA - September 13, 2016, 8:58 am

If they don't look at abuse/DMCA then put 1080p Brazzers vids.

Copied? It's like all over the web lol, if anything, the one who wrote the ebook copied it all.

Yore - September 13, 2016, 10:27 am

This doesn't seem too legit haha

kbnaguis - September 13, 2016, 10:47 am

i'm seriously thinking to leave my current job to finally dedicated 100% to the porn business

Not worth to leave your job just to dedicate your time into this.

Unless you want to act in porn, then no lol, just stick to your job, at least you have kinda guaranteed income.

Silent Militant - September 13, 2016, 1:19 pm

0.00012880 BTC with two videos in a day (tested it last night)

Assuming you will get the same view rate, you can make multiple accounts (Lets say 100 accounts) and upload 200 videos a night if you have good Down and Up. (Which is alot!)

Your looking at 0.01288 a day for the first day then keep doubling so on. I mean, but 500\$ a day is kinda out there.

rogelio11 - September 13, 2016, 7:41 pm

lol just make sure you upload HD quality videos. otherwise, you wasted a day for the account you used or made

MintyComet - September 13, 2016, 7:59 pm

I remember seeing this method a while back posted by some other guy and that same imgur so that would'nt be "Your" earnings.

21 21 21 - September 13, 2016, 8:14 pm

Not sure if this bullshit will make \$500 a day but I'll take a stab at it.

it's a knife, not a cross.

U.F.O. - September 13, 2016, 9:13 pm

I wonder if you'd have better luck with CPA and a link in video

dollar95 - September 14, 2016, 5:38 am

What's the essence of this method? do you earn money per view ?

Expherience - March 31, 2019, 11:35 am

After creating an account, you must wait 15 days before uploading. That stinks :((

cyisbo - April 3, 2019, 8:08 am

I will try this but I have to wait 15 days for the site to let me place video's.

Will report back after this period to give results.

devt - April 17, 2019, 11:34 am

nice

Your account has been banned :(

Everex - April 17, 2019, 1:25 pm

I guess 500\$/day nice joke, but the method is good btw.

But all about marketing/sharing your videos, what u think how much u can REALLY make / day ? I wanted to try out this method (Seen on other place), but i was lazy and my internet so low.
