Thread: [Free Graphic Design or Web Design \(Web Design Gone\)](#)

Ancestral - September 13, 2016, 7:49 pm

Hey HF.

9/20 Graphics are gone!

2/2 Web designs are gone!

I'm going to give away 20 graphic designs (on anything, logo - brochure - business card - signature..) and 2 web designs (up to 5 pages each, domain included but not exceeding \$12). The designs will go to the first person who say's they want it.

Thanks!

EDIT - WEB DESIGNS ARE TAKEN

Everything is back up and running. Requests are now being taken. Thank you for everyone who waited! :)

B0Trun - September 13, 2016, 8:01 pm

Oh thats awesome , can i get the webdesign for me thanks

Yandere - September 13, 2016, 8:02 pm

Could you make some type of 'C' logo for me?

Size: 400x400

Color: doesn't matter just colorful please

Theme: No Theme

If you need more information for it just let me know, please.

Okie dokie.

Sorry everyone! I actually need to put shit on hold for like a day. I'm having issues with my computer and website.

I'll let you know when I am going to start.

Again sorry.

S????i - September 17, 2016, 10:03 am

I'd love a signature that is based around Shiro from No Game No Life please,

I'd like it to follow a cute pink theme and I would also like it to say SenpaiTheHentai please

thank you so much

Ancestral - September 17, 2016, 3:17 pm

I need to give myself a day or two. My website is fucked up, I am implementing a dashboard for myself to keep track of orders.

Again, please give me about a day or two to get sorted.
Thank you for understanding.

I would love a minimal logo for my new internet alias Creator.

Something creative, crisp and defines sophistication but also has a hint of creativity.
Creater because I create digital products and everything I do is creativity based.

Looking for a Logo/Watermark, something for streaming.

Names TomfckingRiddle, was hoping for something customly designed maybe? Colours don't really matter, matte grey/black would be cool and white too, thanks, also if possible maybe a brb kind of image for in between streaming games?

Thanks man, doing a good job so far bro!
