Well I applied 2 weeks ago, i wasn't denied or accepted, still on queue, I'm just impatient or omni missed me? Due 2 weeks is a bit of time....

Sorry if I'm wasting my time is just I wasn't sure ?

Omni will get to you when he has the time.

It takes a bit to review accounts.

I swear the whole system is automatic though?

It took me around a few weeks to get accepted.

No

- apply
- in queue
- wait for your turn
- account gets reviewed by Omni
- approved or denied or perm denied

The system is not automatic. It will take time and honestly I bet this just hurt your chances.

Just wait. It happens sometimes.

I am 3 weeks behind on applications for Ub3r. I was planning on working today to get it caught up.
