Thread: [CFTtime hacking/puzzle team? CTFtime.org | Team recruitment](#)

SIM-1534439 - September 16, 2016, 12:31 am

I am looking for a group of smart individuals to create a team with myself on www.CTFtime.org

this is where you create a team and solve puzzles that include maths, cryptography, coding. If you have problem solving mindset this will be incredibly fun for you.

Warning this can be very hard!

If you're interested drop me a pm and ill link you to a channel where we will set up everything.

Thank you

Aakash_Choudhary - September 16, 2016, 3:55 am

First it is :-> <https://ctftime.org/>

Second i am much interested in solving CTFs

Thanks
