Will Grigg - September 17, 2016, 5:28 am

Wow i was just reading the news on Swedish newspaper and i saw a article that made my feel bad.

<https://www.youtube.com/watch?v=txaiG93uaBU>

400 students outside their teachers house/hospital

singing for their teacher that has cancer.

The teacher died a few days ago after this.

I would give my life in exchange for cure against cancer.
