Looks pretty good , would be better like you know if it was shiny like the gloss paintjobs on cars in games xD

Text should've been a different color, doesn't really stand out like it should. I guess it's fine, not something I would use though.

Looks nice, lack of color and maybe make the text a little bit more visible.

6/10

Looks okay, Some color would have been nice. Maybe a bit more effort on the text. 4-5/10
